

Dear Valued Business Partner,

Bosco's would like to thank you for your partnership that has contributed to another successful year for both of us. We regard our vendors as partners in ensuring that all Bosco's merchandise is safe for our customers. In pursuit of that goal, Bosco's Purchase Order Terms and Conditions clearly states that as a Bosco's business partner, it is your responsibility to notify us of any product or material that you provide to Bosco's, that is known by the State of California, under California Proposition 65, to be harmful to individuals. Details regarding this California initiative can be found at this link: [Proposition 65 in Plain Language](#).

It is imperative that you review this document and the list of chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. We require that you inform your Buyer at Bosco's whether your products are or are not affected by the Proposition 65 initiative. To assist you in providing the status of your products, please complete our [Prop 65 Vendor Statement](#), then scan, and email it to: prop65@boscovs.com. Please return no later than June 1, 2020.

Thanks for your business partnership and your immediate attention to this request.
